

## The Strange Meeting

One night three children were having an adventure walking through a mysterious \_\_\_\_\_. Suddenly there was a noise that sounded just like a \_\_\_\_\_ and an enormous \_\_\_\_\_ appeared.

All three children felt very \_\_\_\_\_ at this sudden appearance.

The enormous \_\_\_\_\_ was the most peculiar colour. Or should I say colours? Half of it was \_\_\_\_\_ whilst the other was a vibrant \_\_\_\_\_. It rumbled and it bumbled as it hobbled and bobbed along making a smell that was unpleasantly like \_\_\_\_\_.

The enormous \_\_\_\_\_ turned to the three children and in a \_\_\_\_\_ voice began to speak.

“I am very \_\_\_\_\_ and I just wondered if you could help me find my \_\_\_\_\_?”

Well, the three children only had to think for a moment before answering

“Yes, of course we will help you find your \_\_\_\_\_”

The hunt was on!

The children searched the mysterious \_\_\_\_\_ and hunted high and low. They looked in the \_\_\_\_\_ but it was not there. They climbed into the \_\_\_\_\_ but it was not there. They even asked a surprised looking \_\_\_\_\_ but there was no sign of the missing \_\_\_\_\_

Finally when they were all tired and fed up from searching the smallest child shouted, “There it is! It was hiding in \_\_\_\_\_ all along.

The enormous \_\_\_\_\_ was overjoyed to be re-united with its \_\_\_\_\_ and it jumped and bumped and flumped and trumped for joy.

“Thank you children, oh thank you! Please let me reward you for your hard work.”

He then gave the children a \_\_\_\_\_.

With huge smiles all over their faces the three children carried on exploring, just waiting for the next adventure, which might be just around the corner.
